Surveys to come out so we can gauge interest in players, head coach positions and coordinators. Head coaches will be required to be there at all times. Ratios at this point are 9 kids/1 coach, 8 kids/2 coaches etc.

Treasurer Role: Andy is going to reach out to Laura to get the breakdown of what she did. What the role should be and things that should be the team managers role vs treasurer. A final decision on the duties and who will take on what will be determined after discussion is had with Laura.

Jerseys: There is still a lot of Jerseys that have not been handed back in. 2 dates have been set up to collect them in a safe manner. July 27th and July 28th. Both days 3:30-4:30pm.
